

*The very very very best conference in the whole world,
about something very serious
April, the 1st, 2018*

**A very very very very very very very, yes, very very very very very
very very, yes, yes, very very very very, yes, yes, yes, very very
very very, yes, yes, yes, yes, it's a very very very very very very
very very very very long title**

Jacques Pierre¹ Pierre Paul² Paul Jacques²

¹ISAE-SUPAERO, Toulouse

²ONERA, Toulouse

This work was granted by my holydays!!!
You're welcome!

1 My first section

- A subsection
- A second subsection

2 Another section

- 1 My first section
 - A subsection
 - A second subsection
- 2 Another section

A simple block

Something to say.

An important red block

Some other thing to say.

Example

An example block

Frames without title are entitled as the current section.

With a defined title for the frame.

1 My first section

- A subsection

- A second subsection

2 Another section

A second subsection

with the current subsection's name as title.

1 My first section

2 Another section

Just to see how it's working.

We can also insert the logo of ISAE–SUPAERO with the command “insertLogo”:

It is vectorial and directly drawn using tikz in “ISAE-Beamer.cls”.

Opening every folder in your computer to find this picture and losing a precious time?

This is the past!
